

She's our friend and she's crazy!	I don't have a skull. Or bones.	It's not much, but it's home.
Do the magic hand thing!	Phenomenal cosmic powers... itty bitty living space.	This is the part where you run away.
You should have stayed in the car.	I'm surrounded by idiots.	Do I detect a hint of minty freshness?
That's not how the force works!	I've got a jar of dirt!	Where's my super suit?
That's rough, buddy.	That's why her hair is so big. It's full of secrets.	Why do we even have that lever?
Curse you, Perry the Platypus!	I'm not like a regular mom. I'm a cool mom!	Quiet up and listen down.
Remember who the real enemy is.	On your left.	You have to start thinking bee, my friend.
What about second breakfast?	My horse can do the math.	Frying pans! Who knew, right?
You'll have to toss me.	You gave me loaded dice?
